

Ataraxia

exhibition of original art by Peter Sayer 8th May-8th June

PV Friday 10th May 6pm-8pm

Peter Sayer ...Ataraxia 8th May-8th June

Landscapes with plenty of texture, paint runs and scraping back to reveal the subtler layers below overpainted with new layers is all part of the exploratory process ...trying to find that sublime place between figurative and abstraction is currently what I'm working towards. Doesn't mean I'm not excited by representational formats but stimulus is often triggered by colour and texture rather than verisimilitude.

WEDS-SAT 10-4PM SUN BY APPOINTMENT ONLY

VENUE HIRE AVAILABLE

[DIRECTIONS \(LINK \)](#)
