Background information –
Artist featured in

“Umbral Shadows”

Ria Smith

Ria Smith is a British artist based in Olney, Milton Keynes. Originally from Little Chalfont, Bucks. She is a self-taught artist, who prefers to use palette knives to create a unique and distinctive style.

She has always had a passion for light and shade, this is showcased in her paintings and drawings alike.

Ria currently creates pieces for the commercial market (office interiors) as well as private homes, on canvas from 3ft up to 8ft.

Ria is happy to work with clients, architects and interior designers to create bespoke pieces but always has a varied selection in store that anyone can choose from too.

A Dynamic collection of 17 atworkson view at jgallery Moulton
